# Partners in Alaska's Future

## A Shared Commitment to Sustainable Development and to Social and Community Responsibility

**Northern Dynasty** has delineated one of the world's great orebodies, and assembled one of the most extensive environmental databases in the history of Alaska resource development.

**Anglo American US** brings a depth of corporate resources and a successful track record of global leadership in modern mining practices.

# Charting the course

## Five core principles:

- Pebble must benefit people — Pebble is for all Alaskans**
- Pebble must co-exist with healthy fish, wildlife and other valued natural resources**
- Pebble must apply the world's best and most advanced science**
- Pebble must help build sustainable communities**
- At Pebble, we must listen before we act.**

# “Beyond Compliance”

- ▣ **Intensive Stakeholder Engagement Process**
- ▣ **Independent Expert Scrutiny**
- ▣ **Bristol Bay Sustainable Fisheries Fund**
- ▣ **An Alaskan Project**

# Questions
